Sir:

The references cited on attached form PTO/SB/08A&B were previously called to the attention of the Examiner in the Information Disclosure Statement filed April 13, 2004. However, copies of the references were not enclosed and therefore not considered by the Examiner, as noted in the Office Action dated January 24, 2008. The undersigned respectfully resubmits the references for the Examiner's consideration. Copies of the references [in compliance with the requirements of 37 CFR §1.98(a)(2)] are enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

Applicant believes that no fee is required for submission of this statement as the references were previously disclosed. However, if a fee is required, the Commissioner is authorized to deduct such fee from the undersigned's Deposit Account No. 20-1430. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
